

THE WATERFORD FUND

REACHING NEW HEIGHTS

LEARNING TO LEARN

Waterford is devoted to nurturing students in a learning environment that values and rewards intellectual curiosity. Supported by a culture that reinforces meaningful relationships with faculty and peers, our students develop both academic strengths and a passion for life-long learning. Your gifts to the Waterford Fund ensure that these unique qualities exist for both current and future generations of Waterford students.

WHAT IS THE WATERFORD FUND?

The Waterford Fund is the foundation of our fundraising efforts. Gifts to the Waterford Fund support current operational needs not covered by tuition. These gifts help provide the funds necessary for the program enhancements and projects needed to maintain Waterford's level of excellence in education. Parents, alumni, grandparents, alumni parents, faculty/staff, and friends of the school all support the Waterford Fund.

DOES MY GIFT REALLY MAKE A DIFFERENCE?

Every gift makes a difference, no matter what the amount, and helps to inspire other donors. High levels of participation to the Waterford Fund indicate the value our community places on the Waterford experience. It is a gauge by which overall commitment to for Waterford is measured. Broad-based annual participation plays a major role in encouraging corporate and foundation donors to support the School.

WHAT IS THE GIVING YEAR?
